How can you really THINK, ACT, and BE like Jesus? Pastor Randy Frazee believes there are thirty key beliefs, practices, and virtues that help define what Jesus referred to as the two great commandments: to love God and to love others. The Christian Life Profile Assessment Workbook is designed to help you assess where you are in relationship to these beliefs, practices, and virtues. Your responses will help you answer the questions "how am I doing?" and "where do I need to grow?" After you identify areas in which you would like to grow, the workbook provides suggestions and plans to help you realize that growth, such as reading books, memorizing Scripture, attending a seminar, engaging with a mentor, or taking part in a new spiritual discipline. The Christian Life Profile journey is best experienced in a small group community that seeks to encourage, pray for, and hold each other accountable for progress. The goal is to take the profile again, one year later, to monitor the progress you make in your journey. The Christian Life Profile Assessment Workbook is also designed for use alongside the Believe product group in order to enhance the church-wide experience.

This comprehensive discipleship tool kit enables churches to assess the Christian beliefs, practices, and virtues of each member to help everyone grow. The training kit is based on the "Thirty Core Competencies" as outlined in the book *The Connecting Church*, also by Pastor Randy Frazee. These thirty core competencies help churches know when they are making progress in guiding their members toward Christ-likeness. Each of the four sessions contains components such as video, lecture, leader-led discussion, large group discussion, and small group discussion. Individuals answer 120 questions about their Christian beliefs, practices, and virtues. Three friends also assess them in the virtues area. Using the results, individuals identify areas in which they would like to grow during the upcoming year. The resource guide provides plans to help realize the growth such as reading books, memorizing Scripture, attending a seminar, being mentored by a spiritual director, or engaging in a new spiritual discipline. The Christian Life Profile journey is experienced in a small group community that seeks to encourage, pray, and hold each other accountable for progress. The goal is to take the profile again, one year later, to monitor the journey. The complete kit includes a four-session Training Guide, a copy of The Christian Life Profile Assessment Tool, and a DVD to assist in training. The Christian Life Profile Assessment Tool and Training Guide are also available separately.

The Christian Life Profile Assessment Tool Training Guide has been developed to serve as a guide for learning how to implement the Christian Life Profile Assessment Tool (CLPAT) into the life of any church. This training course is divided into four sessions. Each session will contain components such as video, lecture, leader-led discussion, large group discussion, and small group discussion.

The *Believe: Student Edition* teaches you the core beliefs, practices, and virtues of Jesus-followers so that you can understand how to live out God's story in your own life today. As you walk through the three big categories of Christian life—beliefs, practices, and virtues—you'll begin a journey that will take you closer to the heart of Jesus and deeper into the words of Scripture. You'll learn what the Bible has to say about everything from the nature of God and the identity of Jesus, to prayer, worship, and the fruit of the Spirit. Each big category is divided into ten topics to give you an up-close look at the important things God wants you to know. Relevant, practical, and deeply fundamental, *Believe: Student Edition* is a must-read for any student serious about their faith. The Bible is more than just a book of stories. It's a blueprint for living. Let the words of God change you as you learn how to think, act, and become more like Jesus.

The *Believe Adult Study Guide* gives groups of all sizes the opportunity to learn, discuss, and apply what they experience in this 30-session journey through the Bible by exploring 30 essential beliefs, practices, and virtues that every Christian needs to know and live. This study guide will guide group members through video discussion for all 30 sessions as well as help individuals grow through in-between-sessions assignments.

The development of meaningful relationships, where every member carries a significant sense of belonging, is central to what it means to be the church. So why do many Christians feel disappointed and disillusioned with their efforts to experience authentic community? Despite the best efforts of pastors, small group leaders, and faithful lay persons, church too often is a place of loneliness rather than connection. In this revised and updated version of his best-selling book, Randy Frazee shows us how church can be so much...better. More intimate and alive. The answer may seem radical today, but it was a central component of life in the early church. First-century Christians knew what it meant to live in vital community with one another, relating with

a depth and commitment that made "the body of Christ" a perfect metaphor for the church. What would it take to reclaim that kind of love, joy, support, and dynamic spiritual growth? Read this book and find out.
