thorny and contentious issue of Christian Democracy and the future of Europe, the debate was always pursued with civility, constituting what Chesterton would call a good and healthy argument, as opposed to a quarrel.

Christian Democracy and the Future of Europe ~ The ...

They describe the challenges the EU faces in relation to legitimacy and democracy and address head-on the uncertainty over the future of Europe. The book considers different possible scenarios—from the Union's dissolution, with or without the continuation of the integration process, to its reinforcement through the building of a political union addressing the challenges of legitimacy, democracy and justice.

The future of Europe : democracy, legitimacy and justice ...

The essence of our argument in the paper was that democracy in Europe should be deepened. But now there is a much more basic question about whether democracies can protect their citizens from the pandemic. There has already been much discussion about whether authoritarian states will emerge stronger from this crisis than democracies.

The future of European democracy - William Outhwaite, 2014

The notion of Europe as an output democracy is an apt description of what is now happening in Brussels. For instance, last week's "output" from the EU's competition commissioner, Neelie Kroes, was probably convincing for a majority of European citizens: She fined two large energy providers, Germany's E.on and France's GDF Suez, €553 million ...
