Another is to give the gift of hope. In *Becoming Wise*, Krista Tippett writes about hope, and how transformative it can be. "In a century of staggering open questions, hope becomes a calling for those of us who can hold it, for the sake of the world. Hope is distinct, in my mind, from optimism or idealism. It has nothing to do with wishing. It references reality at every turn and reveres ...

Hope is the second of the three theological virtues; the other two are faith and charity (or love). Like all virtues, hope is a habit; like the other theological virtues, it is a gift of God through grace. Because the theological virtue of hope has as its object union with God in the afterlife, we say that it is a supernatural virtue, which, unlike the cardinal virtues, clearly cannot be ...

A poignant story celebrating the 150th anniversary of the Emancipation Proclamation It ' s 1862 and the Civil War has turned out to be a long, deadly conflict. Hope ' s father can ' t stand the waiting a minute longer and decides to join the Union army to fight for freedom. He slips away one tearful night, leaving Hope, who knows she may never see her father again, with only a conch shell for comfort. Its sound, Papa says, echoes the promised song of freedom. It ' s a long wait for freedom and on the nights when the cannons roar, Papa seems farther away than ever. But then Lincoln finally does it: on January 1, 1863, he issues the Emancipation Proclamation, freeing the slaves, and a joyful Hope finally spies the outline of a familiar man standing on the horizon. Affectingly written and gorgeously illustrated, Hope ' s Gift captures a significant moment in American history with deep emotion and a lot of charm.

Revelation: God's Gift of Hope provides a helpful Catholic interpretation of perhaps the most mysterious book in the Scriptures. Through this study, participants will see the book of Revelation with new eyes and will grasp hold of its intended, hope-filled message. For busy adults who want to study the Bible but don't know where to begin, Six Weeks with the Bible provides an inviting starting point. Each guide is divided into six concise, 90-minute segments that introduce one book of the Bible. All biblical text is printed in the guides, which means no additional study aids are required.

Neither a commentary on the book of Revelation nor a devotional work -- though it offers aspects of both -- Joy in Our Weakness is instead a theological and practical guide that ushers readers into the very presence of Christ and His Lordship over the powers of evil. Marva Dawn writes compassionately for those who suffer, for this book was born out of her own struggles with physical limitations and chronic illness, and it is intended to help the whole Church learn how to find Joy in every circumstance of life, especially in trials and sufferings. After outlining some important foundational principles in three introductory chapters, Dawn guides readers through the whole book of Revelation, pointing out the errors of those who try to calendarize the end of the world and instead delineating how The Revelation reveals Christ's Lordship, exposes the workings of the powers, and sustains those who suffer until evil is ultimately defeated. Now thoroughly revised for a wider readership, Joy in Our Weakness highlights The Revelation's original purpose -- to comfort afflicted, suffering believers -- and spells out a biblically grounded "theology of weakness," offering a rare gift to the Church today. A wealth of insight and encouragement truly awaits the readers of these pages.

"The gifts of hope in this daily devotional will guide you to give your whole heart to God, reach out to Him for help, put away sin, and refuse to entertain evil in your home."-- Introduction.

Snowball--an aptly named bundle of feline fluff--is thankful to be spending her first Christmas in the comfort of Weber Haus, the Victorian B&B run by Miss Tilly. Emily Diemer, who cooks for the guests, dotes on Snowball, but she's not thrilled about another new arrival at the B&B: Miss Tilly's nephew, Lukas. Which is odd, because Snowball's animal instincts tell her that Lukas and Emily should definitely be friends. Everything Emily needs is in this quaint community--including, she hopes, the chance to open her own bakery one day. She doesn't think much of Lukas for leaving his aging aunt to struggle while he jets around the world taking photographs. But now that he's here, helping to spruce up the property and getting mixed up in Snowball's antics, she begins to soften a little. Until she learns what he has

planned . . . Lukas is going to sell Weber Haus so that Miss Tilly can retire. But Snowball is certain that this B&B, and these people, are supposed to be her forever home. Somehow she has to get these stubborn humans to see things through the wisdom of a cat's eye and a kitten's loyal, loving heart . . . "Expertly crafted...the perfect Christmas treat." --Booklist, Starred Review

As you sent me into the world, so I have sent them . . . —John 17:18 God sent Christ at Christmas. In turn, Christ sends us into the world to be his hands and feet, head and heart. Dynamic pastor Jorge Acevedo leads us on a 5-week Advent journey to discover how, where, and why we are sent. Joining him on the journey are four young clergy including Jacob Armstrong, Rachel Billups, Justin LaRosa, and Lanecia Rouse, who challenge us through story, art, and Bible study.

****Winner of the Moonbeam Children's Book Award Silver Medal for Non-Fiction —Picture Book**** This beautifully illustrated children's book tells the story of a little Cambodian girl forced to leave her old world behind and find a new home in America. In clear but simple language and vivid illustrations, this Cambodian children's story communicates a sense of the joy, sadness, injustice and triumph that lives on in young Cambodian Americans. It shows that it is possible to overcome great hardship, and that a single decision can do much to heal one's self and others. The Cambodian Dancer is the true story of a Cambodian refugee—a dancer and teacher—who built a life in the US after fleeing the Khmer Rouge. She became a counselor to other Cambodian refugees and created a school of dance for children. Her gift of hope was to teach children in the Cambodian community the traditional dances of Cambodia so that young people growing up far away from the land of their ancestors would know about their culture.
