Donald Trump Nick Adams had it all: charisma, energy, a promising TV career, a new organization and an approved Green Card petition. The world was at his feet.

Then came the unexpected sabotage and political persecution from one individual. It began a spiral of destruction — finances, family, health and career. He almost lost it all. Green Card Warrior is an explosive and startling exposé into the world of legal immigration and what many must endure to come to America. Rising conservative star Nick Adams reveals how he was persecuted by the Obama Administration, and offers an incisive critique of the immigration system — both legal and illegal. This eye-opening account shows how the Obama Administration has broken new ground in its intimidation and harassment of political opponents, now using its State Department to screen and select immigrants based on their politics.

informative narrative. [The New York Times At thirteen, bright-eyed, straight-A student Sara Saedi uncovered a terrible family secret: she was breaking the law simply by living in the United States. Only two years old when her parents fled Iran, she didn't learn of her undocumented status until her older sister wanted to apply for an after-school job, but couldn't because she didn't have a Social Security number. Fear of deportation kept Sara up at night, but it didn't keep her from being a teenager. She desperately wanted a green card, along with clear skin, her own car, and a boyfriend. Americanized follows Sara's progress toward getting her green card, but that's only a portion of her experiences as an Iranian-"American" teenager. From discovering that her parents secretly divorced to facilitate her mother's green card application to learning how to tame her unibrow, Sara pivots

hearts crave love. On the outside, success can manifest through who we have become and who we love. But on the inside, success is always a feeling of power. The strategies in this book will teach the rules and strategies to win the game. Winning the Green Card Chess Game means winning the power over your destiny and winning the chessboard of love. Many people have lost this game because they weren't chess players; they were chess pieces. Don't let it be you. When immigrant women marry successfully, they win a life full of love and also a Green Card. Michely Lopes has not only played the game, but she has won and helped many others to do the same. Now... it's your turn.

months I've been ashamed of not being able to get a job without a work permit or having my fiancé to sign every document for me on daily basis. I thought that being an au pair was hard but as it turns out not being an au pair is even harder. If that wasn't enough being in love complicates everything even more. When I left London almost two years ago I could never expect all of this to happen. But hey, I still believe my story is a beautiful one and I can't wait to share it with you.

Offers stories of fifty recent immigrants, each with permanent residence or citizenship, who have come to fulfill their potential and start a new life in the United States.
