The Parent Agency

The parent agency is an awesome book! I love it, my brother loves it, my mum loves it and my mate loves it. It's about Barry, who wishes for new parents. Then, he's transported to the parent agency, where he has five days to pick a family. However, he sees this one couple mysteriously popping up everywhere he goes!

The Parent Agency is a children's comedy book, which in my opinion is suitable for all ages. The author is a comedian but the book does not have many laugh-out-loud moments, mostly using more subtle humour. The story follows a normal boy named Barry, who hates his parents.
