status. This was a significant factor that contributed to the Bolshevik attitude to religion and the steps they took to control it. ...

Religion in the Soviet Union - Wikipedia

The Russian Orthodox church was drastically weakened in May 1922, when the Renovated (Living) Church, a reformist movement backed by the Soviet secret police, broke away from Patriarch Tikhon (also see the Josephites and the Russian True Orthodox Church), a move that caused division among clergy and faithful that persisted until 1946.

Russian Orthodox Church - Wikipedia

The experiences that were characteristic of the condition of the Russian Orthodox Church during the 20th century—repression, dissidence, collaboration, and emigration—were the backdrop against which developments since the end of communism were interpreted. Against these multifold experiences, the Russian Orthodox Church played different roles during the post-Soviet transition: that of a thriving faith under conditions of religious freedom, a supporter of democratization and a potential ...

Islam in Russia is the nation's second most widely professed religion after Christianity. According to US Department of State in 2017, Muslims in Russia numbered 14,220,000 or 10% of the total population. According to a comprehensive survey conducted in 2012, Muslims were 6.5% of Russia's population. However, the populations of two federal subjects with Islamic majorities were not surveyed due ...

Islam in Russia - Wikipedia

In recent years, the Russian Orthodox Church has become a more prominent part of post-Soviet Russia. A number of assumptions exist regarding the Church's relationship with the Russian state: that the Church has always been dominated by Russia's secular elites; that the clerics have not sufficiently fought this domination and occasionally failed to act in the Church's best interest; and that the Church was turned into a Soviet institution during the twentieth century.

The Post-Soviet Russian Orthodox Church: Politics, Culture ...

In all post-communist countries, religion serves as a means of reclaiming lost identity and regaining forgotten heritage and historical memory—all of which form national identity. However, in countries where most believers belong to the Orthodox Church, religion plays a key role of political legitimization.

It discusses how the Moscow Patriarchate is asserting itself in former Soviet republics outside Russia, especially in Estonia, Ukraine and Belarus. It concludes by re-emphasising that, although the church often mirrors the Kremlin's political preferences, it most definitely acts independently. The Post-Soviet Russian Orthodox Church (Paperback)
