**The Rebellious Life of Mrs. Rosa Parks by Jeanne Theoharis** — Yet her simple act of courage started a chain of events that forever shaped the landscape of American race relations. Now, decades after her quiet defiance inspired the modern civil rights movement, Mrs. Parks' own words tell of her courageous life, her passion for freedom and equality, and her strong faith.

**The Rebellious Life of Mrs. Rosa Parks by Jeanne Theoharis** — The Rebellious Life of Mrs. Rosa Parks rescues Rosa Parks from the mythologies of civil rights lore by instead situating her within the long twentieth-century Black Freedom struggle, both North and South, as an activist and an organizer. Highly accessible and eminently readable, this book is retooling with the next generation of would-be activists with the politics and history that can help them forge new paths in the ongoing struggle to make Black lives matter. "

**The Rebellious Life of Mrs. Rosa Parks Quotes by Jeanne** — The Rebellious Life of Mrs. Rosa Parks is a must for teachers, parents, and grandparents, to undo the damaging myths that essentially began and ended her political life on December 1, 1955, frozen in time as Dr. King was on August 28, 1963. Most Americans are unaware of their anti-war and anti-capitalist views.

**The Rebellious Life of Mrs. Rosa Parks—Zinn Education** — Jeanne Theoharis illustrates this side of Parks in her book, The Rebellious Life of Mrs. Rosa Parks. A Distinguished Professor of Political Science at Brooklyn College, Theoharis is the author of numerous works on the black freedom struggle. Her writing has also appeared in The New York Times, The Washington Post, The Nation, and Smithsonian.

**A Rebellious Life | Chapter 16** About The Rebellious Life of Mrs. Rosa Parks (Young Readers Edition) This definitive biography of Rosa Parks accessibly examines her six decades of activism, challenging young readers perceptions of her as an accidental actor in the civil rights movement.

**Rebellious Life of Mrs. Rosa Parks** — The Rebellious Life of Mrs. Rosa Parks is one of the most well-known Americans today, but much of what is known and taught about her is incomplete, distorted, and just plain wrong. Adapted for young people from the NAACP Image Award—winning The Rebellious Life of Mrs. Rosa Parks, Jeanne Theoharis and Brandy Colbert shatter the myths that Parks was meek, accidental, tired, or middle class. They reveal a lifelong freedom fighter whose activism began two decades before her historic stand that sparked the Montgomery bus boycott and continued for 40 years after. Readers will understand what it was like to be Parks, from standing up to white supremacist bullies as a young person to meeting her husband, Raymond, who showed her the possibility of collective activism, to her years of frustrated struggle before the boycott, to the decade of suffering that followed for her family after her bus arrest. The book follows Parks to Detroit, after her family was forced to leave Montgomery, Alabama, where she spent the second half of her life and reveals her activism alongside a growing Black Power movement and beyond. Because Rosa Parks was active for 60 years, in the North as well as the South, her story provides a broader and more accurate view of the Black freedom struggle across the twentieth century. Theoharis and Colbert show young people how the national fable of Parks and the civil rights movement—celebrated in schools during Black History Month—has warped what we know about Parks and stripped away the power and substance of the movement. The Rebellious Life of Mrs. Rosa Parks illustrates how the movement radically sought to expose and eradicate racism in jobs, housing, schools, and public services, as well as police brutality and the over-incarceration of Black people—and how Rosa Parks was a key player throughout. Rosa Parks placed her greatest hope in young people—in their vision, resolve, and boldness to take the struggle forward. As a young adult, she discovered Black history, and it sustained her across her life. The Rebellious Life of Mrs. Rosa Parks will help do that for a new generation.

Now adapted for readers ages 12 and up, the award-winning biography that examines Parks ' s life and 60 years of radical activism and brings the civil rights movement in the North and South to life Rosa Parks is one of the most well-known Americans today, but much of what is known and taught about her is incomplete, distorted, and just plain wrong. Adapted for young people from the NAACP Image Award—winning The Rebellious Life of Mrs. Rosa Parks, Jeanne Theoharis and Brandy Colbert shatter the myths that Parks was meek, accidental, tired, or middle class. 2014 NAACP Image Award Winner: Outstanding Literary Work-Biography/Autobiography 2013 Letitia Woods Brown Award from the Association of Black Women Historians Choice Top 25 Academic Titles for 2013 The definitive political biography of Rosa Parks examines her six decades of activism, challenging perceptions of her as an accidental actor in the civil rights movement. This revised edition includes a new introduction by the author, who reflects on materials in the Rosa Parks estate, purchased by Howard Buffett in 2014 and opened to the public at the Library of Congress in February 2015. Theoharis contextualizes this rich material—made available to the public for the very first time and including more than seven thousand documents—and deepens our understanding of Parks ' s personal, financial, and political struggles. Presenting a powerful corrective to the popular iconography of Rosa Parks as the quiet seamstress who with a single act birthed the modern civil rights movement, scholar Jeanne Theoharis excavates Parks ' s political philosophy and six decades of activism. Theoharis masterfully details the political depth of a national heroine who dedicated her life to fighting American inequality and, in the process, resurrects a civil rights movement radical who has been hidden in plain sight far too long.

Now adapted for readers ages 12 and up, the award-winning biography that examines Parks ' s life and 60 years of radical activism and brings the civil rights movement in the North and South to life Rosa Parks is one of the most well-known Americans today, but much of what is known and taught about her is incomplete, distorted, and just plain wrong. Praised by The New York Times, O, The Oprah Magazine, Bitch Magazine, Slate, Publishers Weekly, and more, this is " a bracing corrective to a national mythology " (New York Times) around the civil rights movement. The civil rights movement has become national legend, lauded by presidents from Reagan to Obama to Trump, as proof of the power of American democracy. This fable, featuring dreamy heroes and accidental heroines, has shuttered the movement firmly in the past, whitewashed the forces that stood in its way, and diminished its scope. And it is used perniciously in our own times to chastise present-day movements and obscure contemporary injustice. In *A More Beautiful and Terrible History* award-winning historian Jeanne Theoharis dissects this national myth-making, teasing apart the accepted stories to show them in a strikingly different light. We see Rosa Parks not simply as a bus lady but a lifelong criminal justice activist and radical. Martin Luther King, Jr. as not only challenging Southern sheriffs but Northern liberals, too; and Coretta Scott King not only as a " helpmate " but a lifelong economic justice and peace activist who pushed her husband ' s activism in these directions. Moving from " the histories we get " to " the histories we need, " Theoharis challenges nine key aspects of the fable to reveal the diversity of people, especially women and young people, who led the movement, the work and disruption it took, the role of the media and " polite racism " in maintaining injustice; and the immense barriers and repression activists faced. Theoharis makes us reckon with the fact that far from being acceptable, passive or unified, the civil rights movement was unpopular, disruptive, and courageously persevering. Activists embraced an expansive vision of justice—which a majority of Americans opposed and which the federal government feared. By showing us the complex reality of the movement, the power of its organizing, and the beauty and scope of the vision, Theoharis proves that there was nothing natural or inevitable about the progress that occurred. *A More Beautiful and Terrible History* will change our historical frame, revealing the richness of our civil rights legacy, the uncomfortable mirror it holds to the nation, and the crucial work that remains to be done. Winner of the 2018 Brooklyn Public Library Literary Prize in Nonfiction

Two first-time teen voters meet at their polling place and fall in love over the course of one crazy day in this YA novel pitched as THE KISSING BOOTH meets THE SUN IS ALSO A STAR.

This book offers a revealing look at Rosa Parks, whose role as an activist and struggle with racism began long before her historic 1955 Montgomery, Alabama, bus ride. • Includes a timeline of critical people and events in Rosa Parks's life • Offers a bibliography of archival, newspaper, documentary, secondary, and internet resources

Provides the story of the black woman whose refusal to give up her seat on a bus in Alabama set in motion all the events of the civil rights movements that resulted in the end of the segregated South.

A masterclass in the civil rights movement from one of the legendary activists who led it. Compiled from his original lecture notes, Julian Bond ' s Time to Teach brings his invaluable teachings to a new generation of readers and provides a necessary toolkit for today ' s activists in the era of Black Lives Matter and #MeToo. Julian Bond sought to dismantle the perception of the civil rights movement as a peaceful and respectable protest that quickly garnered widespread support. Through his lectures, Bond detailed the ground-shaking disruption the movement caused, its immense unpopularity at the time, and the bravery of activists (some very young) who chose to disturb order to pursue justice. Beginning with the movement ' s origins in the early twentieth century, Bond tackles key events such as the Montgomery bus boycott, the Little Rock Nine, Freedom Rides, sit-ins, Mississippi voter registration, the Sixteenth Street Baptist Church Bombing, the March on Washington, the Civil Rights Act, Freedom Summer, and Selma. He explains the youth activism, community ties, and strategizing required to build strenuous and successful movements. With these firsthand accounts of the civil rights movement and original photos from Danny Lyon, Julian Bond ' s Time to Teach makes history come alive.

Until recently, Rosa Parks ' s personal papers were unavailable to the public. In this compelling new book from the Library of Congress, where the Parks Collection is housed, the civil rights icon is revealed for the first time in print through her private manuscripts and handwritten notes. Rosa Parks: In Her Own Words illumines her inner thoughts, her ongoing struggles, and how she came to be the person who stood up by sitting down. At the height of the Montgomery Bus Boycott, as Parks was both pilloried and celebrated, she found a catharsis in her writing. Her precise descriptions of her arrest, the segregated South, and her recollections of childhood resistance to white supremacy document a lifetime of battling inequality. Parks expressed her thoughts on paper using whatever was available—meeting agendas, event programs, drugstore bags. The book features one hundred color and black-and-white photographs from the Parks collection, many appearing in print for the first time, along with ephemera from the long life of a private person in the public eye.
