Over several illuminating chapters, Barr describes in great detail how elite power networks permeate all of Singapore ' s key institutions, from government and the ruling party (PAP) to government-linked companies, statutory boards, academia, etc. Chapter 6 is dedicated to Singapore ' s ' first family ' and the rise of Lee Hsien Loong after his father's political decline as a result of the 2011 General Elections, in which PAP received its lowest percentage of the national vote since 1963.

The Ruling Elite of Singapore: Networks of Power and ...

About The Ruling Elite of Singapore. Michael Barr explores the complex and covert networks of power at work in one of the world's most prosperous countries – the city-state of Singapore. He argues that the contemporary networks of power are a deliberate project initiated and managed by Lee Kuan Yew – former prime minister and Singapore's 'founding father' – designed to empower himself and his family.
