On December 21, 2012, the Mayan calendar will end. Many see it as an apocalyptic sign. But is it? In The Twelfth Insight, the long-awaited fourth book in the beloved Celestine Series, we again follow our Hero and his close friend Wil. They have just received a portion of another ancient and mysterious manuscript that describes a secret approach to spirituality that is silently arriving in the second decade of the 21st Century. But the manuscript is only available in fragments. To understand its full meaning for mankind, our Hero and Wil begin an urgent search to find the message in its entirety.

Redfield
In a world racked by violence and conflict, James Redfield and Michael Murphy—leading cocreators of today's spiritual boom—present a message of hope and a vision for the future. It is no accident, they argue, that the twentieth and early twenty-first centuries have witnessed a revolution in new human capacities. Daily we hear and read about supernormal athletic feats; clairvoyant perception; lives transformed by meditative practices; healing through prayer—and we ourselves experience these things. The authors contend that thousands of years of human striving have delivered us to this very
