Thou Art That Quotes Showing 1-21 of 21. □Half the people in the world think that the metaphors of their religious traditions, for example, are facts. And the other half contends that they are not facts at all. As a result we have people who consider themselves believers because they accept metaphors as facts, and we have others who classify themselves as atheists because they think religious metaphors are lies.□.

Woven from Joseph Campbell's previously unpublished work, this volume explores Judeo-Christian symbols and metaphors — and their misinterpretations — with the famed mythologist's characteristic conversational warmth and accessible scholarship. Campbell's insights highlight centuries of confusion between literal and metaphorical interpretations of Western religious symbols that are, he argues, perennially relevant keys to spiritual understanding and mystical revelation. *Reviews:* "[A] romp through the Judeo-Christian tradition — a lightning-paced tour with an extremely knowledgeable and provocative guide to illuminate some intriguing, untrammelled paths." — *Publishers Weekly* (starred review) "It is Campbell the armchair speaker who shines through, buoyant with life and with comments that are eerily relevant to current times." — *Parabola* "The work confirms the commonality of the human experience. A much-needed prescription in today's world." — *San Francisco Chronicle*

*Thou Art That* is a compilation of previously uncollected essays and lectures by Joseph Campbell that focus on the Judeo-Christian tradition. Campbell explores common religious symbols, reexamining and reinterpreting them in the context of his remarkable knowledge of world mythology. Campbell believed that society often confuses the literal and metaphorical interpretations of religious stories and symbols. In this collection, he eloquently reestablishes these symbols as a means to enhance spiritual understanding and mystical revelation. With characteristic verve, he ranges from rich storytelling to insightful comparative scholarship. Included is editor Eugene Kennedy's classic interview with Campbell in the *New York Times Magazine*, which originally brought the scholar to the attention of the public.

Master mythologist Joseph Campbell had a genius for finding the unifying symbols and metaphors in apparently distinct cultures and traditions. In *Myths of Light: Eastern Metaphors of the Eternal*, Campbell explores, with his characteristic clarity and humor, the principle that underlies all the great religions of India and East Asia, from Jainism and Hinduism to Buddhism and Taoism: the transcendent World Soul. Joseph Campbell began his comparative study of the world's religions with a chance meeting with the renowned Indian theosophist Jeddú Krishnamurti on a trans-Atlantic steamer. Though Campbell was deeply fascinated by mythologies and religions from every continent, Asia's potent mix of theologies captured his imagination more than any other, and offered him paths to understanding the essence of myth.

In *Myths of Light*, Campbell explores the core philosophies and mythologies of the East, comparing them through vivid examples and stories to each other and to those of the West. A worthy companion to *Thou Art That* and to Campbell's *Asian Journals*, this volume conveys complex insights through warm, accessible storytelling, revealing the intricacies and secrets of his subject with his typical enthusiasm.

Baksheesh & Brahman illustrates Campbell's working method and grants an illuminating look at the thoughts and experiences of an incredible mind, as well as a revealing portrait of the roiling Indian subcontinent of fifty years ago."--BOOK JACKET.

Joseph Campbell's collected writings on dance and art, edited and introduced by Nancy Allison, CMA, the founder of Jean Erdman Dance, and including Campbell's unpublished manuscript "Mythology and Form in the Performing and Visual Arts," the book he was working on when he died. Dance was one of mythologist Joseph Campbell's wide-ranging passions. His wife, Jean Erdman, was a leading figure in modern dance who worked with Martha Graham and had Merce Cunningham in her first company. When Campbell retired from teaching in 1972, he and Erdman formed the Theater of the Open Eye, where for nearly fifteen years they presented a wide array of dance and theater productions, lectures, and performance pieces. *The Ecstasy of Being* brings together seven of Campbell's previously uncollected articles on dance, along with "Mythology and Form in the Performing and Visual Arts," the treatise that he was working on when he died, published here for the first time. In this new collection Campbell explores the rise of modern art and dance in the twentieth century;

dives into the work and philosophy of Isadora Duncan, Martha Graham, and others; and, as always, probes the idea of art as "the funnel through which spirit is poured into life." This book offers the reader an accessible, yet profound and provocative, insight into Campbell's lifelong fascination with the relationship of myth to aesthetic form and human psychology. Reviews: "Unusual insights . . . with a great deal of new information. [Campbell's] writing reveals deep knowledge of dance and aesthetics, and clarity of thought. There are also excellent notes related to both Parts I and II at the end of the book, and these add to the reader's understanding of the various issues and artists under discussion. Readers will find a great deal to think about in this small collection of Campbell's work, and the book will also serve as an introduction to the thoughts of an important American writer — one who influenced many with his teaching, ideas, and books." — Journal of Dance Education

Focuses on the nature of myths and the significance of symbolic images to the human psyche, and discusses how the function of myths in everyday life has changed

Explore the mysteries of the feminine divine Joseph Campbell brought mythology to a mass audience. His bestselling books, including *The Power of Myth* and *The Hero with a Thousand Faces*, are the rare blockbusters that are also scholarly classics. While Campbell's work reached wide and deep as he covered the world's great mythological traditions, he never wrote a book on goddesses in world mythology. He did, however, have much to say on the subject. Between 1972 and 1986 he gave over twenty lectures and workshops on goddesses, exploring the figures, functions, symbols, and themes of the feminine divine, following them through their

transformations across cultures and epochs. In this provocative volume, editor Safron Ross—a goddess studies scholar, professor of mythology, and curator of collections at Opus Archives, which holds the Joseph Campbell archival manuscript collection and personal library—collects these lectures for the first time. In them, Campbell traces the evolution of the feminine divine from one Great Goddess to many, from Neolithic Old Europe to the Renaissance. He sheds new light on classical motifs and reveals how the feminine divine symbolizes the archetypal energies of transformation, initiation, and inspiration.

From leadership expert Dr. Jim Loehr, strengthen your moral and ethical character for outstanding leadership results with this must-have set. *Leading with Character: 10 Minutes a Day to a Brilliant Legacy* At the end of your life, how are you likely to be remembered? Chances are that people won't be praising your money, power, and status. Instead, the people you've impacted will remember you for your compassion and personal strength—in short, your character. Unfortunately, many leaders are unaware of their character shortcomings and blind spots that hold so many of us back from building the lasting legacy we are capable of. With the right motivation, you can begin to strengthen your character and become a moral and ethical leader capable of creating lasting change. In *Leading with Character: 10 Minutes a Day to a Brilliant Legacy*, Dr. Jim Loehr, cofounder of the Johnson & Johnson Human Performance Institute, reveals 50 character competencies that you can practice daily to transform your life and work. This book will also guide you through the process of developing a Personal Credo that will serve as your decision-making mission statement. Most leaders never take the time to identify their own core values, instead defaulting to a reflexive form of decision making. Gain

an awareness of the conscious and unconscious processes that guide what you do and why you do it, and take charge of your leadership legacy. Even good leaders are vulnerable to corruption. Read *Leading with Character* to learn how human evolution and contemporary culture can lead us astray without our even knowing it. As we work hard to get to the top, who are we becoming along the way? If we want to become heroes whose memories will long outlast us, we need to channel our energy into creating habits that will add up to a strong and meaningful character. *The Personal Credo Journal: A Companion to Leading with Character* We all want to become high impact leaders with a robust ethical and moral character, but getting there is a challenge. Dr. Jim Loehr's *Leading with Character* offers a succinct plan for developing your character as a leader and building a meaningful legacy through your life's work. *The Personal Credo Journal* is a day-by-day workbook that will guide you through the process of identifying your core values and crafting your Personal Credo—a statement of beliefs and values that will help you align every action and decision with your deepest held ideals. With these activities and exercises, you'll spend just a few minutes each day reflecting on meaningful and thought-provoking prompts about your life story, your personal strengths and weaknesses, and your life goals. By the end of this life-altering, 150-day challenge, you will have gained a deep self-knowledge and a clear vision of your path forward as a leader. Take charge of the legacy you'll leave behind, build character, and learn to use your Personal Credo to transform your life.
