Women stand their ground in the midst of crisis in this story collection by the New York Times–bestselling author of *The Color Purple*. This collection builds on Alice Walker’s earlier work, the much-praised *In Love & Trouble*. But unlike her first collection of stories, the women in these tenderly wrought tales face their problems head on, proving powerful and self-possessed even when degraded by others—sometimes by those closest to them. But even as the female protagonists face exploitation, social asymmetries, and casual cruelties, Walker leavens her stories with ample wit and, as always, an eye for the redemptive power of love. A collection that reveals a master of fiction approaching the fullness of her talent, these are the stories Walker produced while penning *The Color Purple*. This ebook features an illustrated biography of Alice Walker including rare photos from the author’s personal collection.

1845: Felix Schneider, an immigrant from Germany, cheers the New York Knickerbockers as they play Three-Out, All-Out. 1908: Walter Snider, batboy for the Brooklyn Superbas, arranges a team tryout for a black pitcher by pretending he is Cuban. 1945: Kat Snider of Brooklyn plays for the Grand Rapids Chicks in the

All-American Girls Baseball League. 1981: Michael Flint finds himself pitching a perfect game during the Little League season at Prospect Park. And there are five more Schneiders to meet. In nine innings, this novel tells the stories of nine successive Schneider kids and their connection to Brooklyn and baseball. As in all family histories and all baseball games, there is glory and heartache, triumph and sacrifice. And it ain't over till it's over.

Meet Oswald Hendryks Cornelius, Roald Dahl's most disgraceful and extraordinary character . . . Aside from being thoroughly debauched, strikingly attractive and astonishingly wealthy, Uncle Oswald was the greatest bounder, bon vivant and fornicator of all time. In this instalment of his scorchingly frank memoirs he tells of his early career and erotic education at the hands of a number of enthusiastic teachers, of discovering the invigorating properties of the Sudanese Blister Beetle, and of the gorgeous Yasmin Howcomely, his electrifying partner in a most unusual series of thefts . . . 'Raunchy and cheeky entertainment' Sunday Express 'Immense fun' Daily Telegraph Roald Dahl, the brilliant and worldwide acclaimed author of Charlie and the Chocolate Factory, James and the Giant Peach, Matilda, and many more classics for children, also wrote scores of short stories for adults. These delightfully disturbing tales have often been filmed and were most recently the inspiration for the West End play, Roald Dahl's Twisted Tales by Jeremy Dyson. Roald Dahl's stories continue to make readers shiver today.

-- Over 250,000 Car Wars games sold! -- Multiple award winner, including Omni Magazine, Origins Award, and repeated Games 100 listings.

After her husband's death, Susan Lindley moves into her late, great uncle's Pasadena mansion and restores his taxidermy collection while being joined in the residence by an equally strange human menagerie in the new novel from the author of Ghost Lights. 10,000 first printing.

In the wake of tragedy, SEAL Mark Whitley rushed stateside to act as guardian to his sister's three young children. But a conflicting will could give custody to someone else—someone Mark remembers as a too young, too hot, wild party boy. Even after six years, Mark can't shake the memory of his close encounter with Isaiah James, or face up to what it says about his own sexuality. Isaiah's totally over the crush that made him proposition Mark all those years ago. In fact, he's done with crushing on the wrong men altogether. For now, he's throwing himself into proving he's the best person to care for his cousin's kids. But there's no denying there's something sexy about a big, tough military man with a baby in his arms. As the legal details get sorted out, their long-buried attraction resurfaces, leading to intimate evenings after the kids are tucked in. A forever future is within reach for all of them, if

only Mark can find the courage he needs to trust Isaiah with his secrets—and his heart. This book is approximately 80,000 words One-click with confidence. This title is part of the Carina Press Romance Promise: all the romance you're looking for with an HEA/HFN. It's a promise! Carina Press acknowledges the editorial services of Deborah Nemeth

Camus tells the story of Jacques Cormery, a boy who lived a life much like his own. Camus summons up the sights, sounds and textures of a childhood circumscribed by poverty and a father's death yet redeemed by the austere beauty of Algeria and the boy's attachment to his nearly deaf-mute mother. Published thirty-five years after its discovery amid the wreckage of the car accident that killed Camus, *The First Man* is the brilliant consummation of the life and work of one of the 20th century's greatest novelists. Translated from the French by David Hapgood. "The First Man is perhaps the most honest book Camus ever wrote, and the most sensual...Camus is...writing at the depth of his powers...It is a work of genius."--The New Yorker "Fascinating...The First Man helps put all of Camus's work into a clearer perspective and brings into relief what separates him from the more militant literary personalities of his day...Camus's voice has never been more personal."--New York Times Book Review

What would it be like to be Albert Einstein? What kind of struggles can this great man have? As the last blood relative of Albert Einstein, Stephen, his nephew, would definitely know. The first man to be named the Man of the Century, Albert Einstein is the man who the world looks up to because of his excellence and supreme intellect. He is a genius, for a fact. But to his family, especially to Stephen, who was able to live with his uncle Albert for five summers, he was an ordinary and simple man. He was a true visionary and was well-grounded. Albert was deeply loved and treasured by Stephen. Through their daily bonding, Albert imparted to Stephen his innermost emotions and life's struggles. It was Stephen whom he opened his deep feelings and secrets to. *My Uncle Albert* is a great memoir of a genius from the perspective of a family member, how he lived his life and how he was deeply dedicated with his work. Stephen shares his most cherished moments with his uncle. Get to know more of the genius Albert Einstein through his nephew's perspective. Rediscover his ideas, uncover his desires and sentiments in life, and be enticed of how this truly great man can just be as ordinary as we all are.
