[PDF] Way Beyond Monochrome 2e: Advanced Techniques for ...
Way Beyond Monochrome is a book for advanced amateur and semi-professional traditional photographers, who have at some time developed and printed their own images but want to improve negative and print quality. It will take the reader on a journey, which will transform ' trial and error ' into confidence and the final print into something special. It remains one of the leading books on the subject, many years after its initial publication.
