Lee Jun-fan (Chinese: 李振藩; November 27, 1940 – July 20, 1973), commonly known as Bruce Lee (Chinese: 李小龍), was a Hong Kong American actor, director, martial artist, martial arts instructor and philosopher. He was the founder of Jeet Kune Do, a hybrid martial arts philosophy drawing from different combat disciplines that is often credited with paving the way for modern mixed martial arts (MMA).

Bruce Lee was a Chinese American action film star, martial arts instructor, filmmaker, and philosopher. His Hong Kong and Hollywood-produced films elevated the traditional martial arts film to a new level of popularity and acclaim. Through such films as Way of the Dragon and Enter the Dragon, Lee helped to change the way Asians were presented in American films and, in the process, he became an iconic figure known throughout the world. Although he died at the young age of 32, Bruce Lee is widely considered to be the one of the most

influential martial artists of all time.

Presents the career and early death of the kung fu instructor who became a world-wide legend as the star of the some of the greatest martial arts movies ever made.

"Bruce Lee was known as an amazing martial artist, but he was also a profound thinker. He left behind seven volumes of writing on everything from quantum physics to philosophy." — John Blake, CNN Named one of TIME magazine's "100 Greatest Men of the Century," Bruce Lee's impact and influence has only grown since his untimely death in 1973. Part of the seven-volume Bruce Lee Library, this installment of the famed martial artist's private notebooks allows his legions of fans to learn more about the man whose groundbreaking action films and martial arts training methods sparked a worldwide interest in the Asian martial arts. Bruce Lee Artist of Life explores the development of Lee's thoughts about Gung Fu (Kung Fu), philosophy, psychology, poetry, Jeet Kune Do, acting, and self-knowledge. Edited by John Little, a leading authority on Lee's life and work, the book includes a selection of letters that eloquently demonstrate how Lee incorporated his thought into actions and provided advice to others. Although Lee rose to stardom through his physical prowess and practice of jeet kune do—the system of fighting he founded—Lee was also a voracious and engaged reader who wrote extensively, synthesizing Eastern and Western thought into a unique personal philosophy of self-discovery. Martial arts practitioners and fans alike eagerly anticipate each new volume of the Library and its trove of rare letters, essays, and poems for the light it sheds on this legendary figure. This book is part of the Bruce Lee Library, which also features: Bruce Lee: Striking Thoughts Bruce Lee: The Celebrated Life of the Golden Dragon Bruce Lee: The Tao of Gung Fu Bruce Lee: Letters of the Dragon Bruce Lee: The Art of Expressing the Human Body Bruce Lee: Jeet Kune Do

This enduring bestseller, written over six months when Lee was bedridden with back problems, compiles philosophical aphorisms, technique explanations, and sketches by the master himself.

Words of the Dragon is an anthology of newspaper and magazine interviews from 1958 to 1973 revealing Bruce Lee's own fascinating words and explanations about Bruce himself, his art and philosophy. Interesting and insightful, Words of the Dragon provides the reader a means to understand the real Bruce Lee, offering us a unique keyhole through which to view the private life and personal struggles of the late martial arts superstar. These interviews provide us with Lee's own interpretations of life, the martial arts, international stardom, and his cross-cultural marriage during a time of racism. This Bruce Lee book is part of the Bruce Lee Library which also features: Bruce Lee's Striking Thoughts Bruce Lee's The Tao of Gung Fu Bruce Lee Artist of Life Bruce Lee Letters of the Dragon Bruce Lee The Art of Expressing the Human Body Bruce Lee Jeet Kune Do

“ The first noteworthy treatment of its subject—and a definitive one at that...Fascinating narrative threads proliferate ” (The New York Times Book Review). The most authoritative biography—featuring dozens of rarely seen photographs—of film legend Bruce Lee, who made martial arts a global phenomenon, bridged the divide between Eastern and Western cultures, and smashed long-held stereotypes of

Asians and Asian-Americans. Forty-five years after Bruce Lee's sudden death at age thirty-two, journalist and bestselling author Matthew Polly has written the definitive account of Lee's life. It's also one of the only accounts; incredibly, there has never been an authoritative biography of Lee. Following a decade of research that included conducting more than one hundred interviews with Lee's family, friends, business associates, and even the actress in whose bed Lee died, Polly has constructed a complex, humane portrait of the icon. Polly explores Lee's early years as a child star in Hong Kong cinema; his actor father's struggles with opium addiction and how that turned Bruce into a troublemaking teenager who was kicked out of high school and eventually sent to America to shape up; his beginnings as a martial arts teacher, eventually becoming personal instructor to movie stars like James Coburn and Steve McQueen; his struggles as an Asian-American actor in Hollywood and frustration seeing role after role he auditioned for go to white actors in eye makeup; his eventual triumph as a leading man; his challenges juggling a sky-rocketing career with his duties as a father and husband; and his shocking end that to this day is still shrouded in mystery. Polly breaks down the myths surrounding Bruce Lee and argues that, contrary to popular belief, he was an ambitious actor who was obsessed with the martial arts—not a kung-fu guru who just so happened to make a couple of movies. This is an honest, revealing look at an impressive yet imperfect man whose personal story was even more entertaining and inspiring than any fictional role he played onscreen.

Bruce Lee's daughter illuminates her father's most powerful life philosophies—demonstrating how martial arts are a perfect metaphor for personal growth, and how we can practice those teachings every day. "Empty your mind; be formless, shapeless like water." Bruce Lee is a cultural icon, renowned the world over for his martial arts and film legacy. But Lee was also a deeply philosophical thinker, learning at an early age that martial arts are more than just an exercise in physical discipline—they are an apt metaphor for living a fully realized life. Now, in *Be Water, My Friend*, Lee's daughter Shannon shares the concepts at the core of his philosophies, showing how they can serve as tools of personal growth and self-actualization. Each chapter brings a lesson from Bruce Lee's teachings, expanding on the foundation of his iconic "be water" philosophy. Over the course of the book, we discover how being like water allows us to embody fluidity and naturalness in life, bringing us closer to our essential flowing nature and our ability to be powerful, self-expressed, and free. Through previously untold stories from her father's life and from her own journey in embodying these lessons, Shannon presents these philosophies in tangible, accessible ways. With Bruce Lee's words as a guide, she encourages readers to pursue their essential selves and apply these ideas and practices to their everyday lives—whether in learning new things, overcoming obstacles, or ultimately finding their true path. *Be Water, My Friend* is an inspirational invitation to us all, a gentle call to action to consider our lives with new eyes. It is also a testament to how one man's exploration and determination transcended time and place to ignite our imaginations—and to inspire many around the world to transform their lives.

'This belting read pulls off the nifty trick of making the kung fu legend's spiritual and combat ideas accessible' Maxim 'Truly gets under the skin of this iconic figure' Film Review In the 1970s Bruce Lee emerged as the world's greatest fighting star - an accolade he has kept ever since. He battled to succeed in America in spite of the racial prejudice that denied him a starring role, eventually making films in Hong Kong that turned him into a star - the highest-paid movie star of his day. His controversial death, at the age of thirty-two when he was at the height of his powers, has given him a James-Dean style enduring appeal. In *Bruce Lee - Fighting Spirit*, Bruce Thomas has written a
