However, the process of handwriting involves the complex co-ordination of motor, perceptual and cognitive skills which do not always develop spontaneously but which require considerable explanation, demonstration, experimentation and practice. The Write From The Start programme offers a radically different and effective approach that will guide children through the various stages of perceptual and fine-motor development to lay the foundations for flowing, accurate handwriting.

How to Write a Memorable Beginning and Ending  
T.S. Eliot said, "The end is in the beginning." The beginning of any entertaining and well-crafted story tells as much about where we are headed as to where we will be at the end. This means that until you write the end you will not truly know the beginning.
